

BOARD REFUSES TO OKEH NEWLY FINISHED STREET

**Mayor Selmi Appointed As
Local Chairman Of Ticket
Committee For Ball**

Residents in the neighborhood of Citrus avenue, Miriam street, San Diego avenue and Woodrow street protested vigorously at the council meeting, Monday evening of this week, as to the condition in which newly finished streets in that area were left by contractors Eaton and Smith. Piles of debris on vacant lots also gave rise to complaint.

Taking stock in the protests councilmen refused to pass a resolution prepared by the city engineer accepting the work. The measure was tabled for two weeks pending investigation.

PRESIDENT'S BALL

Mayor Paul Selmi announced that he had recently been appointed chairman of a ticket sales committee for the President's Ball to be held at Tanforan Club on January 30. As committeemen to assist him, Mayor Selmi appointed Police Chief Reardon, Arthur Bodien of the water department and W. E. Pitschke, publisher of the Daily City Record, and distributed to each of them a number of tickets.

ANNOUNCEMENT OF STAKES AT SPRING MEET

**Better Programs And Keener
Competition Promised For
Session To Begin Mar. 13**

J. W. Marchbank, executive director of Tanforan, this week announced a substantial amount in added money for stakes to be renewed at the spring meeting to begin Saturday, March 13. The tidy sum of \$29,500 will be given away in the features, eight in number the coming spring, with the prizes apportioned in a sporting way among the two year olds, three year olds, and the members of the mature division. The Marchbank Handicap with \$10,000 added will be the headliner among the races.

A new stakes is the Woodside Handicap, a preliminary gallop to the Marchbank, as is also the Exposition Handicap. The Marchbank, at one mile and one furlong for three year olds and up, is to be run on getaway day, Saturday, April 17. Fans recall that last year the Marchbank was won by Indian Broom in a surprising victory over Top Row.

Director Marchbank, who brought racing back to California at Tanforan in 1930, is giving his fifteenth meeting in the modern phase of the sport. The historic plant had racing as far back as the late nineties in the nineteenth century. Each season he has

WILL RESTRAIN DEATH EFFORT OF MOTORISTS

"Call the police and have a friend restrained from driving, rather than permit him to kill himself or others." This is the suggestion of E. Raymond Cato, chief of the California Highway Patrol, to California motorists.

"If you must drink," he advises, "do not endanger your life and the lives of others by insisting on driving an automobile."

Friends of drivers, who have been drinking, were urged to protect themselves by refusing to ride with an alcohol-handicapped driver.

"It is better to call the police or sheriff and have a friend restrained from attempting to drive," Cato declared, "than to permit that friend to kill or injure himself or others by attempting to drive when his senses are dulled by alcohol."

Probe First Fatal Auto Crash on Bay Bridge

Just two months in operation, the San Francisco-Oakland Bay Bridge drew the spotlight of inquiry recently in its first fatal auto crash, in which three persons were killed and three others critically injured. This dramatic photo, taken a few minutes after the head-on collision, shows one of the victims as he slumped unconscious in the wrecked car. He died a short time later.

SAN MATEO JUNIOR COLLEGE THREE VICTIMS ANNEXES JEFFERSON AND HALF IN FIRST BRIDGE MOON BAY H. S. DISTRICTS AUTO ACCIDENT

**Protest Petitions Handed
Supervisors By South
S. F. And Sequoia**

In the first definite step toward a county wide junior college district Jefferson and Half Moon Bay High School areas were automatically annexed, Monday of this week, to the San Mateo Junior College District.

Petitions protesting automatic annexation of the South San Francisco and Sequoia Districts were laid before the Board of Supervisors. The petition for Sequoia bore 3706 voter signatures, and 850 protestors were indicated on the South San Francisco listings.

ELECTION DATE

February 2 was set by the Board of Supervisors as a special election date, at which time voters in the Sequoia and South San Francisco districts should poll their choice as to whether or not they shall be included in the county wide jaycee move.

Monday of next week the board will pass a formal resolution annexing the Jefferson and Half Moon Bay Districts, since no opposition to the merger was voiced from those quarters.

BUILDING PROGRAM

Junior college officials plan a building program in connection with the expansion move. Trustee board members thanked the supervisors for their co-operation in speeding along the merger procedure, and by so doing clear up the uncertainty as to the area and number of potential students the college is to serve.

CALLSEN APPOINTED

Dr. F. P. Callsen, Daly City dentist, was appointed a member of the County Planning Commission to represent district No. 1. Callsen replaces Victor Boido of South San Francisco, whose term expired recently.

September High For Drunken Arrests

Persons arrested for drunken driving on the highways of California during September of last year were the state's history, the director of the State's history, the director of the State Motor Vehicle Department said today in his monthly report to Governor Frank F. Merriam.

"Of the 3112 persons arrested for driving while intoxicated," the director said, "3072 were convicted, and it is quite evident that many persons have not learned that gasoline and alcohol form a dangerous and expensive mixture."

JOSEPH V. GAFFEY
Burlingame Postmaster
Birthday Ball Chairman

Led by Mayor Paul G. Selmi of Daly City, residents of this district today were pushing plans for participation in the fourth annual President's Birthday Ball at Tanforan Club House, Saturday, January 30. Police Chief James Reardon, Arthur J. Bodien and W. E. Pitschke are functioning as a local ticket sales committee.

With an expected attendance of some 4000 persons, the committee in charge of the affair have reduced the price of tickets to only 75 cents this year. A cash door prize of \$50 will be given away and numerous awards and favors will be distributed.

Mayor Selmi is a member of the mayors' committee working on the ball. He has attended meetings with J. V. Gaffey, county chairman, and others on the committee at San Mateo and has urged city-wide support of the movement.

FUNDS FOR CHARITY

Of funds derived from the sale of tickets to the annual dance, 70 per cent remains in San Mateo county for treatment of infantile paralysis and other similar diseases. Last year, with an attendance of about

Death stalked for the first time, Sunday of this week, on the new San Francisco-Oakland Bay Bridge to claim the lives of three persons, one of them the father of a Burlingame woman. Three others were seriously injured in the crash.

THE DEAD

Frederick Meyer, 67, retired Currie, Minn., banker and hardware merchant, father of Mrs. Alexander Doonan of 117 Park road, Burlingame.

E. B. DeGolia Jr., Oakland, son of the prominent bay region capitalist who was chairman of the citizens' bay bridge committee.

Miss Agnes Healey, Oakland department store advertising executive.

THE INJURED

Alexander Doonan, 36, Burlingame, manager of the Peninsula Stores, Inc., possible head injuries, severe cuts on face.

Mrs. Doonan, his wife, shock and bruises.

Mrs. Amelia Meyer, 62, Mrs. Doonan's mother, possible internal injuries, shock and bruises.

Condition of Doonan and Mrs. Meyer was reported as "fairly good" today at Berkeley General Hospital.

Mrs. Doonan was at the home of her brother, O. P. Meyer of Oakland, district manager of the Peninsula Stores.

Mr. and Mrs. Meyer came to Burlingame shortly before Christ-

Four Injured In Lawndale Crash

In a collision at Lawndale, Saturday afternoon of last week, involving cars driven by Emanuel Damonte, 44, of 1809 Golden Gate avenue, San Francisco, and Robert Bertaloni, 39, of 1874 McAllister street, San Francisco, four persons were reported injured.

Treated at Villa Sanitarium were: Damonte, crushed left thumb; his daughter, Gloria, 15, cuts and bruises; her companion, Ethel French, 15, cuts, bruises, and injury to the left leg; Bertaloni, cuts and bruises.

Man Cited Here For Indecent Exposure

G. C. Bertrand, 46, 677 Huron avenue, San Francisco, was cited by Daly City police, Tuesday of this week. He was alleged to have exposed himself indecently in a public place, the store at 99 Theta avenue. Released on \$500 cash bail, Bertrand is slated to appear in Judge Clay's court, Wednesday of next week.

DISTRICT ATTORNEY FERRELL AUTHORIZED TO APPOINT NEW TRAFFIC COMMITTEE AT MEET

**Causes of Highway Accidents
Outlined At Redwood Parley
In Effort To Cut Down
Huge Death Toll**

One definite move came out of the county wide traffic parley called at Redwood City, Tuesday evening of this week. District Attorney Ferrell was authorized by motion to appoint a temporary committee of nine persons to outline organization and procedure for a proposed safety council which may at a future date be appointed by the Board of Supervisors.

The past grand jury and traffic committee were lauded for the preliminary safety work which they accomplished. The new committee, which Ferrell announces he will appoint in the immediate future, will continue the program and work toward the establishment of a county body vested with authority to act in traffic matters.

CAUSES OF DEATH

County officials, dozens of city officers representing municipalities and towns from Palo Alto to the San Francisco county line, police patrolmen, members of service organizations and women's clubs attended the meeting to discuss the causes and remedy of highway deaths.

Speed, disobedience to laws, carelessness and natural highway hazards such as medial friction at the center of four lane highways were blamed for the major number of fatal accidents.

DALY CITY REPRESENTED

Daly City was represented at the traffic parley by Mayor Paul Selmi, Councilman Cavagnaro, Police Chief Reardon, W. E. Pitschke and Judge W. H. Clay.

LEGION TO LEAD DRIVE HERE FOR GUARD STATION

**Fortieth Signal Corps Plans
To Set Up Headquarters
Outside San Francisco**

Meeting in San Bruno, Saturday of last week, leaders of the Twenty-sixth District of the American Legion announced the organization, which embraces all San Mateo county posts, would sponsor a drive to win for the peninsula the army for the Fortieth Signal Corps, California National Guard.

The group voted to sponsor the drive, following word that the crack signal corps planned to establish headquarters outside San Francisco. Suggested sites for the army included the old General Pictures studio in San Mateo, the Masonic hall at Ellsworth and Tilton streets, Pacific City and the Belmont Legion hall.

The signal corps, which has received national distinction for its

Killed When Struck By
Bayshore Driver**

Killed during a rainstorm at 12:30 a. m. Monday of this week, John Furch, 50, former Daly City resident, boosted the county death toll to four persons since January 1.

Kenneth Hayden, only witness to the accident, told this story to police:

He said he was driving along Mission street about 12:15 a. m. Monday morning when he saw Furch on his hands and knees on the pavement, attempting to stand up.

He drove several blocks and reported the incident to Police Officers Arthur Dalton and Wilbur Sunderland. They immediately went to investigate.

Logamarsino Again Before S. M. Court

Ray Logamarsino, Colma "bad boy" and former Alcatraz prisoner, was arraigned before Superior Judge Aylett R. Cotton, Monday of this week, charged of escaping from the San Mateo County jail. Date for sentence was set for Monday of next week. Percy Jackson of Burlingame was named attorney for Logamarsino. Joseph McGuigan of San Francisco answered to a charge of holding up a Daly City grocery store and date for his trial was set for February 3.

Guy McGowan, 33, Redwood City plasterer, pleaded guilty in Judge Cotton's court to a charge of hit-run driving and asked for probation. Probation Officer Francis Robinson will make a report January 25.

LADY LUCK

Lady luck sat on the shoulder of J. Archibald when he was involved in a train and auto accident near Madera, California, Monday of this week.

The passenger train struck the front part of his automobile, whipped it around and took off the back part of the car, leaving Archibald sitting in the front seat only slightly injured.

TANFORAN GIVES HELP TO HOME CONTINGENT

By J. W. MARCHBANK

In only a few weeks the horses will be trekking from Santa Anita up to Tanforan and, after a rest of a few days, will get into action. Indications are the fast approaching meeting will be of exceptional character from the sporting point of view. What I am aiming at is to put on a period of racing such as I presented last fall. Everything will be first class, of that I assure you.

The spring meeting differs from the fall in this important aspect: a new crop of racers are on hand from the farms of our own state and from Eastern sections noted for the rearing of the blood horse. In the comprehensive stakes program will be found two races for the new two year olds, both at four and one half furlongs, a distance easily negotiated by the "babies" in April.

The California Two Year Old Championship has been increased in value from \$1500 to \$2000 and, as in past seasons, will be exclusively for colts and fillies foaled in California. This is a preliminary to the Juvenile Stakes to be run one week later. The Juvenile is open to youngsters without any restrictions as to place of foaling. It is a good test for purposes of comparison between the Eastern and Western runners.

Both of the features for the two year olds will be renewed on Tuesdays. It has been found a good thing to have a stakes now and then on some other day than Saturday.

The meeting, as usual, will be for 25 days, with racing each week day with the exception of Monday. As is the custom at Tanforan, there will be no sport on Good Friday, March 26.

It is my constant endeavor to assist in every way possible the extension of breeding and I am particularly pleased at the steady movement of stallions and broodmares from Eastern centers to various sections of the West. I had the breeders in mind when I instituted the Tanforan Futurity, an event with \$10,000 added, to be run for the first time at the fall meeting next year. Already I am working on the first renewal of the two year old stakes in 1939, the year of the Golden Gate International Exposition. The 1938 race closed two years prior to the running and so it will be with the 1939 race. I am a firm believer in early closing features, such as my Tanforan Futurity.

"The Devil Passes" To Run Week Longer

Demand by local theater goers to see the Federal Theater Project production, "The Devil Passes" by Benn W. Levy, has resulted in an extension of the run of the play for an additional week. It was to have closed January 16, but will occupy the stage of the Columbia until Saturday night, January 23.

The play is the first comedy drama of modern society life the government players have been seen in. That it has struck a popular note was indicated, first by the drama critics of the town and then the public itself.

Audience reaction has built up from the first. Richard Allen, Edwin Macdonald, Elizabeth Wilbur, Nancy Coleman, Marie Bell, Leon Forbes and Barry Drew are among the popular players taking leading parts.

The Project's next production, "Battle Hymn," opening January 28, Thursday, will be the most pretentious yet staged by the Federal players in San Francisco. It will have a cast of approximately 100 and many innovations in stage presentation.

Membership Drive Is Extended

Courts of the Catholic Daughters of America throughout the United States are extending their membership drive until February 15, with hopes of enrolling thousands of eligible young women in their ranks, to help carry out their wonderful work, both socially and spiritually.

Mrs. K. McDermott of Templeton avenue, grand regent of Court St. Marys, C. D. A., is in charge of the drive in this community and any young woman of 18 years or over who wishes to enroll in the ranks of Catholic womanhood may get in touch with her. The court meets every first and third Thursdays of the month in the Masonic Hall in Daly City.

heavy rain, when a car driven by a man later identified as Robert Dawson approached from the rear and sounded his horn for the right of way. Hayden said he held to the center of the road for fear of running over Furch.

The police officers failed to see Furch and drove past the high school, the scene where the man was said to have been. At that point, Hayden told police, Dawson cut to the right of his car. Hayden said he heard a noise and started in pursuit of Dawson, finally stopping him several blocks away.

BODY FOUND

Hayden said he was attempting to tell Dawson of the accident when Officers Dalton and Sunderland arrived. The four returned to the high school and found the body.

Robert Dawson, 31, 370 Rio Verdi street, Bayshore, operator of the supposed death vehicle was released after being questioned by police. His car was impounded in the police garage pending further investigation.

Applications for membership in the Daly City Volunteer Fire Department were made by Walter O. Davis, 1135 Brunswick street, John T. McHugh, 774 Bellview avenue, and Richard Perada, 466 Winchester street.

H. H. Smith submitted a request asking the council to take some action to stop persons dumping rubbish on his property on Junipero Serra boulevard.

SALARIES RAISED

Announcement was made by the council that the salaries of three city officials had been raised. Police sergeant Wilbur Sunderland from \$170 to \$185 per month, Dr. A. A. 2500 persons, a total of \$1300 was allotted the county for this work.

Thirty per cent of the funds go to the federal government for the Warm Springs, Ga., Foundation to fight infantile paralysis.

Tanforan ballroom, which has been newly redecorated and enlarged, was chosen for the affair because of the large and spacious floor, its excellent heating system and ample parking space.

Mayors C. A. Buck of Burlingame, Frank P. Simmen of San Mateo and P. A. McCarthy of Redwood City are arranging for an orchestra and entertainment. Mayor William I. Farmer of San Bruno was delegated to handle ballroom arrangements and American Legion members will be named as floor managers.

COUNTY WIDE SUPPORT

With nearly all county units, including the county-wide American Legion chapter, endorsing the birthday ball, the following statement was issued by the arrangements committee, composed of all mayors of county cities:

"Resolved by the committee for the President's Birthday Ball, consisting of J. V. Gaffey, chairman, and the mayors of all cities in San Mateo county, and prominent citizens representing the coastside and other unincorporated areas, that

"Whereas, the President's Birthday Ball has become the outstanding charitable event of the county; and,

"Whereas, seventy (70) per cent of the funds derived from the sale of tickets to said ball are retained in this county to be used in the prevention and treatment of infantile paralysis or for such other public relief as the committee deems desirable; and

"Whereas, by combining the efforts of all sections of the county the ball

can be made even greater than ever before;

"Now, therefore, this committee unanimously indorses the holding of one President's Birthday Ball for all of San Mateo County and calls upon all citizens of the county to support this worthy cause."

Busy Housewives Plan For Future

In spite of wind and rain they came from various quarters of the city, Monday of this week, to enjoy an afternoon of rest and relaxation at the home of Mrs. W. E. Pitschke, 416 Irvington street.

At one o'clock sandwiches (homemade bread), homemade pickles, coll slaw, cake and coffee were served by the hostesses, Mrs. Rickmann, Miss Rickmann and Mrs. Pitschke. Publication of a recipe book was the work laid out for 1937, and the following committees will be active until the desired goal is reached: Soups and salads—Mesdames Anne Fried and Anna Cropsey; meats, dressings, fish, sauces—Winnie Frazelle, Elaine Hughes, E. Meier, Sidney White and Miss Mary Lewis; Casserole dishes—L. Lemon, June Fletcher and Ivy Williamson; pies and vegetables—F. H. Rickmann, Edmund Cavnaro and Ethel Bolger; puddings—H. Elmer; cake—F. C. Davies, George Woodside, George Augustin and the Misses N. S. F. Rickmann and Charlotte Hughes; cookies—John Kinsey and Amelia Lewis; jellies, preserves, pickles and relishes—Clarissa Scott and Miss S. Manderville; invalid cookery—Omond Schreiber and W. H. Hall; national dishes—all members; candies—all members; miscellaneous—H. Warshawski and W. E. Pitschke; suggestions and hints—A. Meeth.

Recipes may be left at the Crocker Grocery, 98 Crocker avenue; Kozy Korner Beauty Salon, Hanover and Roosevelt streets; Thomas Jefferson Cleaners, 8 Wellington avenue; at Warshawski's Dry Goods Store, 6336 Mission or the Daly City Record, 3317 San Jose avenue.

There is a vacancy in the club for two more members, so do not wait for solicitation, but send in recipes now. After membership role numbers thirty, names of remaining contributors will appear on a waiting list for vacancies or increase in membership.

The next get-together luncheon will be served by Mesdames Elmers, Frazelle, Lewis and Meier, on the first Tuesday in February at the same meeting place.

put on a better program than the preceding, his aim being to make the course one of the best in the world.

Julius G. Reeder was accorded a free hand in the preparation of the stakes list and also in the overnight events and is entering enthusiastically on his second session at Tanforan as racing secretary and handicapper.

Secretary Reeder writes from Texas that his ambition is to furnish even more enthralling programs than last fall when he made an enviable reputation in bringing out the good horses, rather than the ordinary ones, for contests having their beginning, for the most part, on the front stretch. He was especially commended by the fans for not shying from five and six horse fields, when those fields were of "class" performers.

In addition to the stakes there will be a thousand dollar feature every few days, with liberal purses for the various grades in other races.

The eight stakes at Tanforan in the spring will be:

Inaugural Handicap, for three year olds and upward, 6 furlongs, \$2500 added, Saturday, March 13.

Kings Mountain Handicap, three year olds and up, 1 1-16 miles, \$2500 added, Saturday, March 20.

Woodside Handicap, three olds and up, 6 furlongs, \$2500 added, Saturday, March 27.

Tanforan Three Year Old Championship, 1 1-16 miles, \$3000 added, Saturday, April 3.

Tanforan Two Year Old Championship, 4 1-2 furlongs, \$2000 added, Tuesday, April 6.

Exposition Handicap, three year olds and up, 1 1-16 miles, \$5000 added, Saturday, April 10.

Juvenile Stakes, two year olds, 4 1/2 furlongs, \$2000 added, Tuesday, April 13.

Marchbank Handicap, three year olds and up, 1 1/8 miles, \$10,000 added, Saturday, April 17.

The Exposition Handicap is a com-

panion stakes to the Golden Gate Handicap run at each fall meeting in celebration of the Golden Gate International Exposition, to open at Yerba Buena shoals in San Francisco Bay in February, 1939.

The Three Year Old Championship, the Two Year Old Championship and the Juvenile Stakes are allowance affairs. As in previous seasons, the Two Year Old Championship is for California foals.

Bayshore Highway Speeders Fined

Fining 34 motorists a total of \$298.50 when they appeared in his court, Tuesday morning of this week, Judge W. H. Dinning of South San Francisco took a determined step in an attempt to reduce San Mateo County highway traffic toll.

The stiffest fine was assessed John F. Steindler, prominent Hillsborough resident, who paid \$25 for speeding 55 miles an hour on Bayshore highway and for failing to appear in court when originally cited. A warrant was finally issued for his arrest.

Leon Terreo, Piedmont socialite, forfeited \$25 bail for speeding 62 miles an hour.

Twenty-nine other motorists, cited for speeding during the past week, either wrote or phoned the court to explain their reason for non-appearance. Sixty-three motorists have been arrested during the past ten days.

Forty cited over the week end will appear before Judge Dinning today.

Woodrow P. T. A. Plans Graduation

Woodrow Wilson P. T. A. board meeting was held in the Woodrow Wilson School on Tuesday of this week.

Final arrangements were made for the January graduation party. Mrs. M. Peterson and Mrs. M. Linden were appointed chairman of the magazine lunch to be held in the home of Mrs. Peterson in January. Mrs. K. Foreman reported on the Founders Day Lunch held recently in Burlingame.

INDIAN, 110, DIES

A Digger Indian, Nellie Johnson, died, Monday of this week, at Yuba County hospital.

Friends and relatives said she was 110 years old. She was a constant smoker.

ARMY AND NAVY PLEDGE AID TO BRIDGE FIESTA

Colorful Military Fanfare To
Be Paraded At Golden
Gate Span Opening

The fullest co-operation of the Army and Navy in the Golden Gate Bridge Fiesta next May, celebrating the opening of the span across the famous Golden Gate, was pledged this week by the Ninth Corps Area, United States Army, and the Twelfth Naval District, U. S. N.

Plans are already actively under way for the greatest military and naval demonstration in the West during the fiesta. The entire army troops and facilities are to be at the disposal of the Fiesta committee.

Crissy Field, within the Presidio military reservation, and adjacent to the bridge, will become the center of much of the elaborate pageantry which is planned for the Fiesta.

It will also be the terminus of the spectacular day and night parades that are to be held, and grand stands will be erected there and along Marina boulevard to accommodate thousands of persons.

NAVY PARTICIPATION

Every available warship in the United States fleet in Pacific waters will be assigned to San Francisco for the bridge opening.

One of the highlights of the Fiesta promises to be a great naval parade, with warships from every foreign maritime nation in line, passing through the Golden Gate and under the bridge into the harbor.

The powerful searchlights of the battleships will also be utilized to the fullest extent in the illumination of the bridge and San Francisco bay at night.

Return To School

Mr. and Mrs. Weldon Bowen and children of San Francisco and Mrs. Sally Bowen and daughter Miss Delores of San Diego avenue motored to Santa Cruz, Sunday.

Miss Delores returned to the Holy Cross School in Santa Cruz after spending the holidays with her mother.

A STORY WITH A MORAL

If even one of those reckless drivers who make life miserable for pedestrians reads this and relents, it shall have been worth telling. It is just another inconsequential story about a dog, told in a news dispatch out of the Middle West the other day. But it has a moral.

He was a perky little fellow, this wire haired terrier, but not too wise. Perhaps he was homeless and in search of food and a warm shelter. Anyway, he set out across the Mississippi river—on a railroad bridge.

When he got half way over, the inevitable happened. A fast freight came roaring down upon him. Trapped, he crouched shivering between the rails, waiting for inevitable death. And then the miraculous happened.

The train stopped inches short of him. The engineer stepped out on the ice-coated trestle, took the half-frozen dog to the draw tender's house. There he was warmed, fed, and released. The fast freight went on, with 15 minutes lost time to make up.

The moral? Well, here was a huge fast freight, on a split second schedule, stopping, sacrificing precious time for a tiny dog.

And yet every day reckless motorists, to whom an hour here or there makes little difference, run down pedestrians because they are unwilling even to slacken speed of their little autos when human lives are at stake!

HISTORY IN THE MAKING

Next week President Roosevelt's second term will begin officially, and while the inauguration may be a mere formality this year, nevertheless it will be a formality of historic significance.

It will be the first time a President has ever been inducted into office on January 20 instead of on March 4. And it will be the first time the Congress elected with him has ever been there to witness the ceremony.

If this surprises people, it will be only because they had forgotten about the twentieth amendment to the Constitution, for which the veteran Senator Norris led the long fight that culminated in ratification on February 6, 1933.

Under the old system, the Congressmen elected last November would not have convened until next December nor the President's term ended until March. It was possible then for a Chief Executive who had been voted out, and a Congress which had been voted out also, to carry on through the whole winter session following elections.

That was the "lame duck" or short session, when officials who had lost their jobs anyway, sometimes showed a high disregard for the popular will. We are well rid of it.

Next week the President steps out and right back in again. But many who are alive to the historic significance of it may be telling their grandchildren, on some inaugural date of the distant future, that they "remember when" a president first took his oath of office in January.

HALF WAY TO DEATH

Half way to death. That is where all twelve of them have been, those Golden Gate Bridge workers who belong to the unique organization known as the "Half Way Club." There is not another like it in the world, because never before during construction of any bridge has a net been stretched under the steel work to catch workers who fall. Strangely enough, most of the "Half Way" members said that after they slipped and started dropping through space they forgot all about the net and were astonished when it caught them. For years they had worked on bridges where a misstep meant death, and doubtless that idea was so deeply rooted that in a crisis it came to the fore and blotted out all else.

BILLION DOLLAR "IFS"

"If" is universally admitted to be the biggest word in the Dictionary, in any language, but it is safe to say that the world never saw any billion dollar "ifs" until last week. The nation will have a balanced budget, the administration announced, for the next fiscal year beginning July 1, if you don't count debt retirement costs, if not more than \$1,853,154,000 is needed for relief, and if Congress does not cut any taxes or increase expenditures. But despite these "ifs," the largest of which is the proposed slash of a billion dollars in relief spending, the budget message was not unfavorably received in quarters most concerned about government economy. Soon after it was read, stock prices began a slow rally on Wall Street.

A man should never be ashamed to own he has been in the wrong, which is but saying, in other words, that he is wiser today than he was yesterday.—Swift.

THE TRUE CO-OPERATOR

"Many farmers look upon their co-operatives as institutions to serve them without a feeling of co-operative obligation on their parts. . . ." says the Land O'Lakes News.

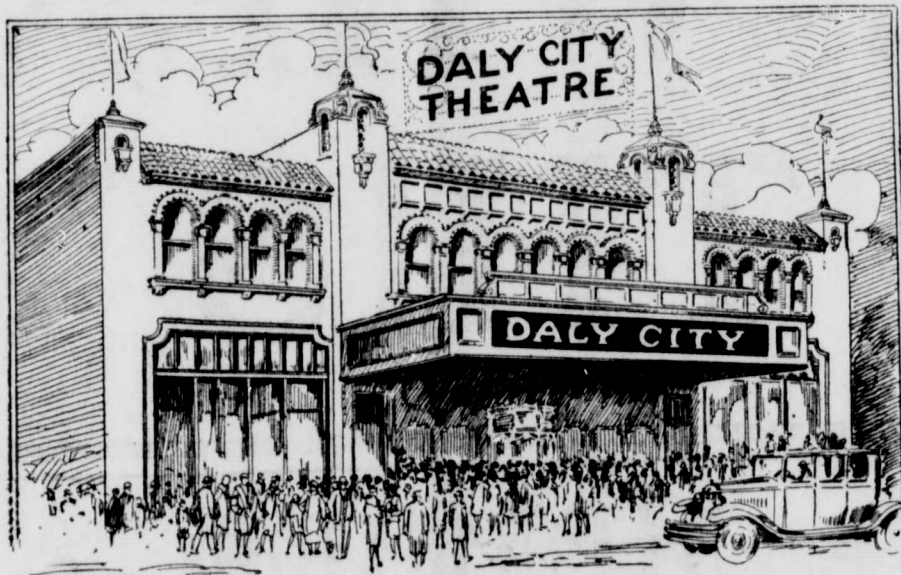

"The true co-operator stays with his association on both the 'ups' and 'downs'. Fair weather co-operators are not the backbone of the co-operative marketing movement."

Co-operative managements are not wizards who can perform feats of financial legerdemain irrespective of economic conditions. There are times when markets become inactive and prices slack off. And it is in such times that the wise co-operative member will work to the fullest extent with his organization in an attempt to stimulate markets and bring prices back to profitable levels.

KEEP COOL IN CONGRESS

Until the President returns, no one will know what sort of "program" he is preparing to toss into the lap of Congress when it convenes the first week in January. But one thing is sure. No Congressmen will be getting hot under the collar at the next session. Nor will any be making decisions in the heat of the moment.

The hallowed chambers of the faithful public servants are to be air cooled by an ultra modern air conditioning plant now being installed. It is feared that, where once the lawmakers rushed sessions that dragged into summer in order to escape the heat, it will now be impossible ever to get them to go home. Anyway, if we need a slogan for the coming session it could be "Keep Cool With Congress."

Short Circuits

Cars left standing in the rain often collect moisture on spark plugs, wires, ignition, coil, and distributor cap, causing short circuits. Before the motor can be started all such "shorts" must be eliminated.

The quickest and most effective plan is to wipe or fan dry all affected parts with a clean rag. A non-explosive cleaning fluid or fire extinguisher fluid speeds up the drying process if squirted on wires and connections where sparks can be seen jumping.

"CHIEF" GUARANTEES NO FAMILY TO STARVE

By J. W. MARCHBANK
Pioneer in Frontier Mining Work

Robert Burns, the national poet of Scotland, said many true things, but none with a wider appeal than "man's inhumanity to man makes countless thousands mourn."

I have been thinking of that line quite a bit since the epochal assertion of President Roosevelt that the federal government does not propose in the next fiscal year, any more than during the past four years, to allow American families to starve.

In plain English the chief executive of the nation pointed out humanity, and not money, comes first in his great heart, and that if the employers of the country do not co-operate with the government in putting unemployed to remunerative work, the question of a balanced budget for 1938 must of necessity remain an open one.

Economic royalists, as the President calls a group of business men who persistently put profits in the first place and human welfare in a distant second place, have not reacted favorably to the Rooseveltian position. They were expecting a promise of a balanced budget, no matter what might be in store for the rank and file of workers. Inasmuch as they did not get the promise, reverberations of a disheartening kind are being thrown back from the seats of the so-called mighty.

Determination of the President to keep right on looking out for the welfare of the people first, last, and all the time, is disconcerting his enemies in other ways than the matter of the budget. The howl is going up again for what the Chamber of Commerce of the United States once called "less government in business." The slogan of the big business group was supposed to have become a dead letter with the re-election of the President. Of course, the federal government never planned to interfere with business at all. It simply was fighting, and is still fighting, with the President at the head of the battlers, for a square deal for the millions in the country who do not happen to be industrialists of finan-

ciers, with almost unlimited capital at their command.

What the moneyed class is looking for, according to recent outpourings in its press, is for the administration to deal more sympathetically with industry. This pertinent query comes right to mind:

"While the industrialists are being accorded sympathetic treatment what will become of the masses?"

Dire things are in store for us, say the spokesmen of the group in control of the national government for several decades up to the election of Franklin Roosevelt. They pretend they cannot understand why dividend-mad men should not be given all kinds of favor, as in previous administrations.

President Roosevelt is perfectly frank in stating the hope for the return of prosperity rests primarily on the employer inasmuch as he has capital. The worker has only services to sell. If the private employer does not avail himself of the opportunity to purchase labor, the worker must be given employment by the federal government agencies. No man with a heart would deny the truth of that statement.

A recent move by the Treasury Department indicates the sincere desire of the President to promote the general welfare of the people. Hereafter the Treasury will buy outright all newly mined and imported gold so as to prevent it from serving as a basis for potential credit expansion. The practice of issuing gold certificates to the Federal Reserve system has been discontinued. The action is a safeguard against an unnatural boom.

Protect Ignition

Ignition conduits that are cracked from heat or age, rubber insulation that is oil soaked, or terminals that are loose should be replaced or repaired without delay.

Otherwise ignition trouble may result, with damage to electrical units.

Santa Claus Pays Gasoline Tax Bill

Some \$5,000,000 is estimated to have been paid by the nation's collective Santa Claus in connection with the enjoyable task of distributing Yuletide gifts during Christmas week alone.

So reports the California State Automobile Association, taking as a basis figures compiled by the American Petroleum Industries Committee. The figures indicate that about \$2,500,000 in gasoline taxes was paid by operators of private automobiles in visiting relatives to deliver gifts and in the general travel of Christmas week, with another \$2,500,000 paid by commercial vehicles handling Christmas merchandise.

FESTIVAL PUDDING

Make a rich pie dough. Then make a filling consisting of one-half cup chopped walnuts, one-half cup seedless raisins, small piece each of lemon and orange peel, one-fourth cup finely cut citron, three large sour apples peeled and sliced thin, glass of any home-made preserves, one-fourth teaspoon cinnamon, one-half cup sugar, two slices white bread wrung out dry, one-half cube melted butter. Mix all together. Butter pudding dish on bottom and sides and line with pie dough. Cover with half the filling. Then a layer of pie dough. Add remainder of filling and cover with dough. Cut into pieces for serving. Sprinkle generously with sugar and cinnamon. Melt another one-half cube of butter and pour over top. Bake for one hour in moderate oven.

EGG CUPS

Boil six eggs until hard; remove shells and cut across, slicing off a piece of the white at end to make them stand like little cups. Mix yolks with some chopped ham or tongue, seasoned; then fill the cups with this compound, heaped up in the middle; place them in a dish and pour around them a mayonnaise dressing.

SUGGESTION

When whipping a small one-quarter pint bottle of cream add the white of an egg. The amount of cream will go much farther and the beaten product will be lighter and fluffier.

SAVING THE DOUGH

Lesson Sermon Of Christian Science

"Life" will be the subject of the Lesson-Sermon Sunday, January 17, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "The Lord is the portion of mine inheritance and of my cup; thou mainest my lot. . . Thou wilt shew me the path of life" (Psalms 16:5, 11). Other Bible citations will include: "And, behold, one came and said unto him, Good Master, what good thing shall I do, that I may have eternal life? And he said unto him, Why callest thou me good? there is none good but one, that is, God: but if thou wilt enter into life, keep the commandments" (Matt 19: 16, 17).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Be watchful, sober, and vigilant. The way is straight and narrow, which leads to the understanding that God is the only life" (p. 324).

Possible Italian Flight To Fiesta

On behalf of the people of San Francisco bay area, Mayor Angelo J. Rossi recently cabled Premier Benito Mussolini in Italy, inviting him to stage his projected Rome to San Francisco aerial flight during the Golden Gate Bridge Fiesta next May.

The fiesta is to be held in celebration of the opening of the \$35,000,000 bridge, which is the longest single suspension span in the world and the first ever to be flung across a major harbor entrance.

According to advices to Mayor Rossi, Il Duce's second son, Bruno, may be a co-pilot on the proposed flight with Major Attilio Biseo, Mussolini's own personal pilot. Major Biseo flew in the Balbo massed flights to Chicago during the Century of Progress three years ago.

Lodge Member Dies

Mrs. Minnie Joy of Broad street Ocean View, formerly of San Pedro avenue, Daly City, passed away last Saturday at her home following a lingering illness of two years duration.

Mrs. Joy, a native of England, was well known in Daly City lodge circles. She was a member of Ivy Chapter No. 27, O. E. S.

Services were held in a San Francisco mortuary establishment under the auspices of that chapter, Monday afternoon of this week at 3:30 o'clock. Interment was in Woodlawn Cemetery.

radio work, comprises 140 men and 10 trucks, and meets regularly twice a month.

Guest of the evening was State Department Commander Thomas J. Riordan, who declared the department will push a campaign for a "fair and strict" neutrality law. Expressing elation over the "apparent co-operation between South American countries and the United States in the present crisis, Riordan said a vigorous drive will be made for the universal conscription act.

This law, he declared would draft, in case of war, not only man power but also industry, finance, transportation and agriculture. The object, he said, is to end war by removing the profit motive.

The district group last night went on record as favoring the following: an end to the 3 per cent state sales tax on materials to be used in government subsidized shipbuilding, to promote development of Pacific Coast shipyards; the 1937 President's ball, and the annual Shrine East-West football game. District Commander C. H. Whitney presided.

P. T. A. District January Meeting

Presiding at the January meeting of Seventeenth District, California Congress of Parents and Teachers, in the auditorium of Burlingame High School, today, will be Mrs. Elmer L. Miller, Burlingame, president.

The department of health, Mrs. C. A. Andrews, San Mateo, director, will have charge of the program, presenting as morning speaker Dr. Chesley Bush, head of Royal Sanitarium, Alameda and past president of California State Tuberculosis Association. Tuberculosis will be the subject of his discourse.

Dr. William Murphy, San Mateo, will explain the new tubercular set up in San Mateo county. Members of county medical circles and senior students of Burlingame High School will be guests. Any other interested persons are invited.

The afternoon speaker will be Miss Rena Haig, chief supervising public health nurse, California State Department of Public Health. Her subject will be "Public Health Developments in California Under the Social Security Act."

The meeting will convene at 10:30 a. m. and close at 3 p. m. Luncheon is to be served in the high school cafeteria.

Chairmen of the health department acting under Mrs. Andrews include: Mrs. J. M. Foley, San Mateo, child hygiene and physical education; Mrs. A. T. Hollingsworth, Colma, social hygiene; Mrs. T. E. Drisko, San Mateo, mental hygiene; Mrs. Ray Boulton, Millbrae, first aid; and Mrs. Forster Smith, Burlingame, child health survey.

Lower Hetch Hetchy Rated Okehed

The San Francisco Board of Supervisors again took steps, Monday of this week, which indicate an eventual cheaper Hetch Hetchy water rate to peninsula users.

At their meeting Monday afternoon, the supervisors voted 9 to 1 to slash wholesale rates from 19½ cents to 18 cents per 100 cubic feet, in accordance with the plan of the Public Utilities Commission. The rate applies to users consuming in excess of 330,000 gallons per day.

The supervisors also listened to the plan of Utilities Manager E. G. Cahill to approve appropriation for \$260,000 for constructing a pipeline from Redwood City to Mayfield.

With the reduced wholesale rates and with the pipe line, Cahill said, San Francisco will win five new customers for Hetch Hetchy water. Chief among these are Palo Alto, Atherton and Stanford. These cities, he said, will need service this summer.

The five new customers, Cahill said, will increase the water department's revenue by \$80,000 a year.

Surprise Party

Mrs. Al. Brush Sr. of Niantic avenue was pleasantly surprised, Saturday evening of last week, by a group of relatives and friends, who called and helped Mrs. Brush celebrate her birthday.

Those present were Mr. and Mrs. Bruno Conci, Mr. and Mrs. A. Alvino and daughter Barbara Monette, Miss Nellie Gargan, Mr. and Mrs. William Brush and son William Jr., Mr. and Mrs. A. Brush Jr., and Joseph and Phil Gargan.

Relief Planes Speed Food to Snowbound Miners

This remarkable Soundphoto pictures a National Guard plane as it recently circled Sulphur Mine Camp, in Inyo County, Cal., while dropping supplies (indicated by arrow) to snowbound miners. Two planes rushed 400 pounds of foodstuffs to 35 men marooned in desolate back country. The unprecedented Pacific Coast storm brought temperatures of 20 degrees below zero at the snowlocked mine. This Soundphoto was transmitted from Los Angeles over telephone wires.

American Legion Of County Will Stage Boxing

The twenty-sixth district boxing commission of the American Legion, Department of California, will consist of the following: C. H. Whitney, Carlton W. Herrmann, with Lee Williams as chairman. John Vogt Jr., secretary-treasurer, R. A. Rapsey, legal advisor, Eugene C. Siganowitz, publicity director, and James C. Clark, promotion manager. The present plans call for monthly amateur bouts, to be held in the Peninsula Athletic Club, 217 Baldwin avenue, San Mateo, and the first fights will be held on Friday night, January 29, at 8:15 p. m.

The twenty-sixth district is made up of thirteen posts, who have pledged their support and patronage. The funds derived from this venture will go to swell the welfare fund of the treasury of the twenty-sixth district. C. H. Whitney, commander of the district, and his committee will leave nothing undone to assure the crowd of an exciting and pleasurable evening. There will be two classes of seats, ringside and general. It will be open to the general public, and legionnaires and their friends, are invited to bring their wives and children.

Six Applications In For Executive Job

Recent announcement by the Board of Supervisors that Walter T. Kellogg, San Mateo County executive, would not be reappointed when his term expires brought a rush of applications for the county position.

The latest aspirants, whose applications and endorsements were read, Monday morning of this week, at the board meeting were:

E. A. Rolison, assistant to the administrator of the federal rural electrification administration in Washington, and former city manager of Redwood City.

E. J. Spaulding, former San Francisco supervisor and under sheriff.

Frank A. Bloom, city treasurer and purchasing agent of Burlingame for the past 11 years.

Frank Winder Moore, 47, now connected with the PWA, and with a long record of engineering achievements.

Applications of Col. Frederick Peterson, retired Burlingame assemblyman, and William H. Crawford, San Francisco personnel expert, were already on hand.

Substantiating statements that the new board intends to show speed in selecting Kellogg's successor, the supervisors voted to set aside Monday, February 1, for considering all applications. Supervisor James S. James moved to set that date.

WARNING IS TO GET YOUR NEW LICENSE SOON

Avoid Penalty By Attending
To Matter Of Applying
Promptly

New license plates appearing on an increasing number of cars provide a constant reminder to motorists who have not yet applied for 1937 registration. Need for prompt application was emphasized in a statement this week by an automobile association, pointing out that the period for applying without payment of penalties will soon expire. The time limit is midnight of February 4, when penalties will go into effect doubling both the regular registration fee of \$3 and the additional license fee or in lieu tax based on car valuation.

Requirements for license renewal are that the applicant present the 1936 registration certificate with the correct address shown and signed by the registered owner on the reverse side; show the tax notice postcard from the Department of Motor Vehicles, and pay the \$3 private passenger automobile registration fee and the additional state license tax at the rate of \$1.75 per \$100 of car valuation. The valuation tax went into effect last year to reduce personal property taxes on motor vehicles and is based on values for various car models as set up in schedules compiled by the Department of Motor Vehicles.

If a tax notice postcard has not been received the applicant should present the 1936 registration certificate at a plate issuing office, where the amount due will be rated according to the state valuation book.

Plates are being issued by the department at offices in various cities, with mail applications received at the Sacramento office when accompanied by postcard and registration certificate. The automobile association is issuing plates to member motorists at each of its thirty-three offices in northern and central California.

DOPE PEDDLER SHOT

Swinging into effect late last week the new Chinese law providing the death penalty for peddlers and addicts of narcotic drugs claimed its first victim at Peiping.

Lu Luh-Sin, a peddler, was seized at the city gate, led away and shot.

Bank Of America Elects Officers

At the annual meeting of the Bank of America National Trust and Savings Association, Tuesday of this week, A. P. Ginnini was re-elected chairman of the board and L. M. Giannini was re-elected president. All other officers were re-elected.

A. J. Gock, vice president of the bank, was appointed vice chairman of the board of directors and B. B. Meek was elected a director. Other directors were re-elected.

Gock succeeds Leon Bocqueraz, who has retired under the bank's retirement plan, but will remain as a director and member of the bank's

executive committee.

Gock is now in charge of the bank's California-Montgomery branch and was previously chairman of the general executive committee of Bank of America (California), the associated state bank.

At the annual meeting of Bank of America (California), the associated state bank, L. M. Giannini was re-elected president and the directors and officers were re-elected.

OPPORTUNITIES TO MAKE USE OF LEISURE TIME

New Classes In Adult Education By WPA Begin
With New Term

With the beginning of a new term this week, increased opportunity is offered adults to further their vocational proficiency and acquire knowledge to occupy their leisure time through instruction in the classes of the Works Progress Administration Education Program of the State Department of Education, it has been announced.

A number of new popular subjects has been added to the curriculum and additional teaching facilities arranged. Approximately 90 different subjects are being taught in more than 500 classes, which are being held in every center of San Francisco, both in the daytime and the evenings. Two hundred sixty-five teachers are engaged in instructing the adult students.

Courses available include: Arts and crafts, aviation, commercial subjects, English, chemistry, music, choral, civil service, Americanization, commercial art, current events, current plays, languages, millinery, navigation, orchestration, painting, physical education, pottery making, psychology, sewing, voice, sculpture, photography, flower making, public speaking, parliamentary law and many other interesting studies for vocational advancement and the spending of leisure hours.

Information regarding time and location of classes which are free to the public can be obtained from the office of the program, Washington School, Washington and Mason streets, Ordway 3170.

Visitors Return

Mr. and Mrs. George Harlane and son, James, of Shakespeare street returned last week from a tour of southern California. The tourists spent two weeks visiting friends and relatives in the Southland. They attended the football game in the Rose Bowl at Pasadena on New Year Day.

THE BEST TIME TO ACQUIRE NEW LICENSE PLATES

Time Saving Periods Are Explained By Official Of Department

Motorists who are "in the know" are avoiding the Department of Motor Vehicles office at 160 Van Ness avenue south at certain specific periods during the time for renewal of vehicle registration.

The reason is that these observant motorists have learned that the crowd rushes to register on very few and very definite days—namely, the first three days of renewal period, the middle of the month (15th is a pay day for many), the end of the month (another pay day) and the last three days.

Twenty-nine days for 1937 renewal; seven down, 22 to go. The best days to register and do it the easiest and quickest now are—January 11 to 14, and 18 to 29, inclusive. Don't go there on the 15th or 16th, or on and after February 1, unless you have lots of time to spend.

Six-thousand applications a day is the capacity of the San Francisco branch. That means about 750 transactions each hour to be handled by trained clerks at 17 counter windows in the registration office. During the "best times" just mentioned, only 3000 to 4000 applications are received a day, so that you are sure to get more prompt attention.

Christian Endeavor Makes Pledges

Christian Endeavor young people of the Grace Presbyterian Church, Hanover street and Evergreen avenue, made financial pledges for 1937 at a business meeting held in the church, Saturday evening of last week.

The coming conference to be held in San Francisco, February 6, 7 and 8, will be attended by the local group.

Refreshments were served and recreational games played after the meeting.

The surviving relatives are two sisters, Mrs. Mary Soderman and Mrs. Bessie Harmon, and a nephew, Otto Soderman whom she reared. Interment was in Cypress Lawn Cemetery.

SAN BRUNO UNIT PLAYS HOST TO DISTRICT MEET

Many Activities Are Reported and Legislative Program Is Outlined

The regular monthly meeting of District 26, American Legion Auxiliary, was held Thursday, January 7, in San Bruno Legion Hall. The units of the county represented were Mennlo Park, Redwood City, San Mateo, Burlingame, San Bruno and Daly City. Mrs. Mary Hayes, a member of Redwood City Unit, was unanimously elected to serve as second vice president of the district for the remainder of the year.

Chairmen reporting included Mrs. Florence Donnelly, Americanism and Fides; Mrs. Hilda Prizbrowski, Drill Team; Mrs. Mary Hayes, Poppies; Mrs. Helen Blunck, Publicity; Mrs. Dora Devol, Past Presidents Parley; and Mrs. Catherine Foreman, Rehabilitation.

Each Unit president gave a resume of activities in her community for the past month, which showed Christmas made merrier for a great many families through the efforts of the American Legion and Auxiliary. A great many baskets of food were distributed and approximately thirty children were remembered with a "Daddy Gift" made possible through department funds.

Mrs. Marcie Trier, president of the district, called the attention of the members to three important legislative measures which will be urged by the American Legion Auxiliary during the month, now that Congress has convened. The Auxiliary will join the American Legion in asking federal protection for widows and orphans of the World War, the passage of a universal service law and maintenance of adequate national defense. She also announced that the California Department of the American Legion Auxiliary will take part in the Women's Patriotic Conference on National Defense, to be held in Washington, D. C., January 26, 27 and 28. A delegation of leading Auxiliary members will represent the department at the conference.

The next meeting of the district will be on February 11 in Redwood City Legion Hall. All units are requested to bring new members for initiation that evening, the initiation ceremony to be conducted by the drill team.

At the close of the meeting, delightful refreshments were served by San Bruno Unit.

Strong Competition In Student Election

Strong competition was shown in the student body election which was held at Jefferson Union High School, Friday of last week.

There were many close races for the various officers, and the vote for president was especially close. David Gaggero and George Young were candidates. Gaggero was victorious.

Dave Gaggero has already proved his ability as a leader by his excellent work on the entertainment committee. This is exemplified by the dances that he and his committee sponsored and the series of five programs which were contracted to raise funds to purchase a radio for the school.

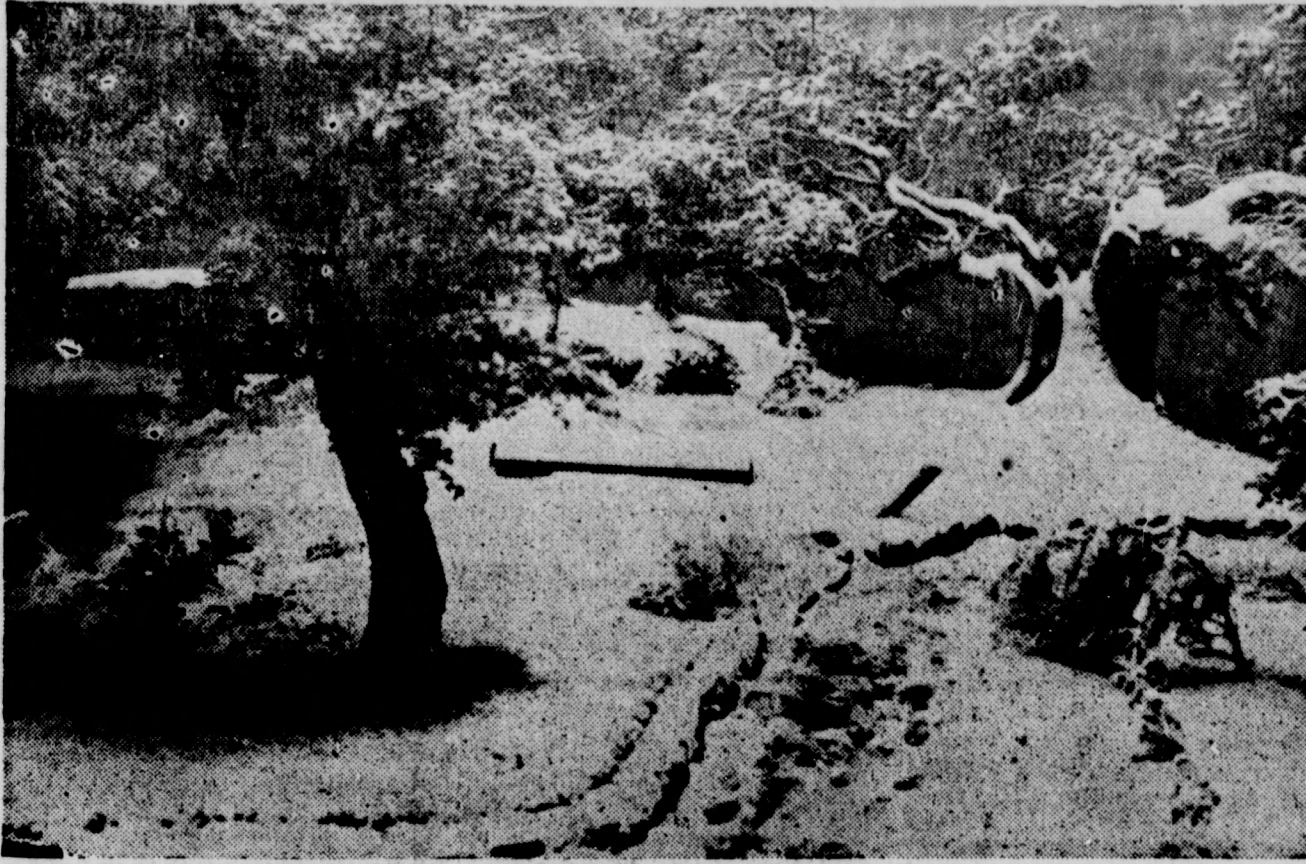

The other victorious candidates were: Leon Stansbury for vice president; Winola Ford, secretary; Marjorie Fuchs for treasurer; Jack Rich, judge; Albert Silicani, sergeant at arms; and Richard Millet, yell leader.

Record Cold Wave Blankets Coast With Snow

Snow—a rare treat for thousands of West Coast residents—recently blanketed the coastal apron when a renewed cold wave brought sub-zero temperatures. Many Northern California communities that had not experienced snow for more than a decade were isolated by white mantles. A shivering cameraman took this winter picture near Lake Lagunitas, Marin County—in the heart of "sunny California"!

Old Glory Members Attend S. S. F. Meet

Sixteen members of the local Old Glory Post and Auxiliary attended the dinner dance and installation of San Mateo-Santa Clara Counties council held at South San Francisco, Saturday evening of last week.

Those representing Old Glory Auxiliary to be installed this year were Ruth Brulez, treasurer; Genevieve Linser, color bearer; and Ethel Dorn, trustee.

NEW DRILL OFFICERS

New officers for the drill team have been chosen. C. Collins was again elected manager; Marie Jones, assistant manager; Myrtle Boyd, treasurer; Ruth Brulez, secretary; Gladys Schlegle, captain; Genevieve Linser, assistant captain; and Genge Schlegle, drill master.

Shull To Address High School P. T. A.

Parents of students at Jefferson Union High School will have the opportunity, Tuesday evening of next week, to visit classrooms of the school and meet members of the faculty when the Parent Teachers Association has its first evening meeting of the year.

The plan provides for following through part of the day schedule thus giving parents the chance to see how the school program functions.

Dr. Claude A. Shull, president of the San Francisco Motion Picture Council, and prominent educator in the city, will be guest speaker. While Dr. Shull's topic has not been announced it is believed he will speak on the educational value of the motion picture. His address is

scheduled to being promptly at 8 o'clock.

It is expected that many parents will take advantage of the invitation of the Parent Teacher group to visit the school.

Wonder If This Can Mean Me?

To start with, Smith doesn't cut a distinguished figure in his evening clothes. In a fashionable restaurant the other night, as he stood near the door waiting for his wife, a tall, pompous Englishman came up and asked, "I say, my man, are you the head waiter?"

As quick as a flash, Smith answered, "No, but I heard him tell a young man this afternoon that he wasn't taking on any more help."—Brown Jug.

Mr. and Mrs. G. Lindorff and daughter Miss Ruth, who had resided for the past six years on Niantic avenue, moved last week to San Francisco. Miss Ruth was the popular queen of the San Mateo Floral Fiesta a year ago.

Mrs. Mary White of Theta avenue, who has been ill for the past three weeks suffering from a severe cold, is very much improved in health.

The graduation exercises of the Jefferson School District will be held Thursday evening, January 21, at the Jefferson Union High School.

Youth Suicide Death At County Line

At first believed to be a murder case, the mystery death of a San Francisco youth on a Hunter's Point hillside near the San Mateo-San Francisco County line has been established as a suicide, police report.

The body was identified as that of Fred Antony, Jr., 21, of 1490 Van Dyke avenue. He had been shot twice through the abdomen and once through the head. In addition to a pistol lying a few feet away, other evidence that at first led to the foul play theory was a heap of burned matches which had charred his clothing.

However, police learned that Antony had bought the gun a few days ago at a pawnshop. The matches, they declared, had been in his pocket and were ignited by a bullet. Further, he had apparently shot himself, twice in the abdomen and then pressed the gun against his head.

The motive is believed to have been worry over failure to obtain a better job. He was a candymaker.

La Fiesta Club Surprise Shower

Friday evening of last week Miss Nonie Healey was tended a surprise shower at the home of Mrs. Edna Peterson of Winchester street by members of La Fiesta Club.

Miss Healey was presented with a beautiful cut work banquet cloth and napkins, after which members sat down to an artistically decorated table and were served dainty refreshments by the hostess.

Those extending their best wishes to the bride to be were Mesdames Sylvia Fisher, Christine Hume, Marge Kennedy, Lorraine Wall, Elsie Thomson, Tess Sullivan, Collista Davis, Louise Eliason, Eleanor MacDonald and Miss Marge O'Connor.

Former Daly City Resident Passes

At her San Francisco home, Monday of this week, Mrs. Mary Elizabeth Mann, 88, former resident of Daly City, died.

Mrs. Mann moved to the metropolis about four years ago. She is survived by three sons. Funeral services were held from Lasswell & Company chapel, Wednesday of this week, with interment in Cypress Lawn Memorial Park.

mas to spend the winter with their daughter and son in law.

BLINDED BY RAIN

The four were returning home after visiting in Oakland when the accident occurred on the upper span of the bridge between the toll plaza and Yerba Buena island during a blinding rain and wind storm shortly after 10 o'clock Sunday night.

According to police, the west-bound coupe which DeGolia was driving crowded over into the east-bound lane and crashed head-on with Doonan's car. Both machines careened wildly over the wet asphalt and crashed into guard rails.

State highway patrol officers closed the traffic on the upper span until the wreckage was cleared.

Mr. and Mrs. Meyer and Mr. and Mrs. Doonan were taken to the Berkeley Hospital where Meyer succumbed to head injuries. DeGolia and Miss Healey, who was riding in his car, were taken to San Francisco Central Emergency Hospital. DeGolia was president of Printing Plates, Inc., of Oakland.

THE CAR THAT WILL BALANCE MANY A BUDGET IN 1937-

HERE'S something new—a car that is lavish with body room, luggage space, and style—yet is a *MISER* on gas and oil!

Its 60 h.p. V-8 engine has the same design, same quality of materials and precision manufacture which have made the 85 horsepower Ford V-8 engine famous the world around.

Furthermore, this "Thrifty 60" Ford V-8 has exactly the same roomy body as the more expensive Ford, on the same 112" chassis!

And when you drive it—notice how smoothly and quietly it accelerates! Not the equal of the brilliant "85" in performance and top speed, of course, but a real performer!

And when it comes to delivering more miles per gallon of gas and quart of oil, this "Thrifty 60" stands alone in Ford history.

See this car today. It sets an entirely new standard of economy in modern motor car operation.
